(QLD OVER 60 THIRDS FOR COOPER-FINDLAY AT COFFS HARBOUR)

February 2018: Volume 1

Hi to you All. As you can see by the heading, I am taking a slightly humorous approach to our TEAM. We are what was left over after all the other sides were picked. Six of the 11 are seventy or more. Three are mid-seventies or more. A couple of the athletic ones are in their early sixties.

Below is a photo of our captain and vice-captain.

Mike Nowlan & Ian Robertson in Hobart after the big win over Tasmania. November 2015

If anyone has a cricket photo of themselves that could be used please send it to me.

If only we were as fit as these blokes!
